NATIONAL LOAN FUND ASSURANCE SOCIETY OF LONDON.

GENERAL AGENT'S OFFICE, 71 Wall-st.

New-York, Nov. 11, 1830.

NOTICE.—In pursuance of a resolution of the Board of Directors, the hitherto existing mode of loans of one-half or two-thirds of the common ammal premiums paid by the insured is discontinued, in reference to policies to be hereafter granted. And the Board have introduced the following new and favorable system of loans for the turner, viz.:

A party insured for the whole term of life may at any time borrow one-half the amount of annual premium, without dots or security, or deposit of policy, and is entitled to division of profits.

He may at any time surrender his policy, and receive back as value thereof one-half the gross sum paid by him in annual common premiums.

This new form of loans applies only to policies hereafter

He may at any time surrender his policy, and receive back as value thereof one-half the gross sum paid by him in annual common premiums.

This new form of loans applies only to policies hereafter to be issued.

A party already insured for whole life may, on payment of a small sum, convert his insurance into a new policy upon the loan system now introduced.

Parties already insured and entitled to a two-third loan, are not shut out from said two-third loan, if they prefer it, upon the terms stated in the Society's pamphlets.

A party may, at a moderate annual premium, insure for life, and if he survive to reach the age of 30 years, the full sum insured up to \$15.00 will ho paid to him; or if he diles shefter enaching that age, the full sum insured will be paid to his family or logal representative.
